

Confirmation

On the basis of the documents submitted, EASY-CERT services GmbH confirms that the following product complies with the provisions of Regulation (EU) No 2018/848 on organic production and labeling of organic products as amended. The assessment is made in accordance with the Research Institute of Organic Agriculture (FiBL) within the framework of the European Input List (www.inputs.eu).

The product may thus be used in organic production.

The submitting company is responsible for ensuring that the assessed product meets the legal requirements and is marketable in Hungary. EASY-CERT services GmbH is not liable for the effect or the use of the product.
